Program Notes

Minimum Total Degree Credits: 42

HMP 5390: This will replace the MPH Core PUBH 5020 requirement.

XXX-#### Elective: Academic advisor approval required. Elective should be selected in consultation with your academic advisor from the list of approved electives (which includes concentration specific classes as well as other approved courses) or non-approved courses with express approval from the academic advisor. Students that are pursuing a Certificate on top of their MPH should, in consultation with their academic advisor, draw their elective choices from the list of courses required for the Certificate.

PLEASE NOTE: This roadmap is an example of what a plan could look like for a typical student. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester. All requirements are subject to change.
